Frozen embryo details : Embryo Detail

Tank : Tank

Canister : Canister

Goblet/Loop : Goblet-loop

Arrangement : Arrangement

The ART bank will maintain a separate register which will give the name and address, telephone no. etc., of the donor, that will match with the donor ID mentioned above. This register will be kept in a safe, under lock and key, and will be accessible to only a small number of persons in the ART bank who will be sworn on oath to maintain the above identity secret.
